

REMARKS

Claims 16-17, claims 25-29 have been cancelled and claims 12 and 14-15, 18-24 amended to more clearly define the present invention and overcome the Examiner's rejection under 35 USC 112, second paragraph.

The Examiner's thorough reading of the application and critique of the claims is appreciated.

In view of the Examiner's indication that the claims would be allowable if rewritten to overcome rejections under 35 USC 112, second paragraph, the Applicant submits that the application is now in condition for allowance and such action is respectfully requested.

Respectfully submitted,
/WALTER A. HACKLER/
